

# Ghost Tours!

**Are you ready to follow in the footsteps of our residents?**

*Enjoy a tour around one of Cape Town's most paranormally active locations and hear tales of strange occurrences in the 222-year history of an old historic Fort.*

*The tour will take you to the upper and underground sections of the old Fort where tales of the area will be told whilst taking in the stunning views over Table Bay and to Table Mountain in the backdrop.*

*Explore the secret passages, bunkers, chambers, underground abandoned museum and interrogation chambers where time has stood still and now becomes alive.*

*Don't be afraid as others have on these tours - on this underground excursion there's a lot more than just BOO!*

*Please let us know if you wish to make use of THE SERGEANTS DEN, for after Tour refreshments.*

*Free and safe on-site parking.*

*Don't forget to bring a Torch or you could get lost!*
